If any of these behaviours occur more frequently, a meeting will be arranged with the parents and the pupil will be placed on a Behaviour Passport by the class teacher. This will be monitored closely at school and parents are expected to support the school in this by checking the passport and signing it each day. The HT, DHT or AHT will check and sign the passport every Friday to gauge progress or to look for patterns in behaviour.

Any reoccurrences of behaviours that could be constituted as bullying (e.g. social isolation, name calling and hitting/kicking), will be dealt with as per our Anti-Bullying policy. Any incidents to be referred to DHT, SENCO and Pastoral Support Worker so that interventions can be put in place immediately for both the perpetrator and the victim – the former through social skills/anger management interventions and signing of contracts and the latter in terms of managing feelings and self-esteem boosting. The student who has been bullied will be offered support if they feel they need it. This may depend on the nature and severity of the incident and may include, work with the pastoral support worker, counselling or in more extreme cases, referral to external agencies such as CAMHS.
