Date: Friday 7th October 2016

Welcome and Congratulations for being voted a member of the School Council. The job does carry important responsibilities and you will be asked to do vital jobs for your teachers and the school.

What the role involves

Please Lead class council sessions in your class and report the School Council minutes to your class after each School Council session. Please display the school council minutes in your class or in a folder. As you do hold an important post in school you must set an example in excellent behaviour.

It is really important that you lead the class council meeting. It is your job to record the ideas/ feelings of your class and bring them to the next meetings. Please tell them of any decisions that we make at our meetings. It essential, that you read the minutes of our meetings out loud to the rest of your class.

Another important part of your job is Health and Safety. If you spot a job around school or in your classroom that needs doing eg a broken light or a loose piece of playground equipment etc please write it on Mr Buddens' board opposite his room. Thank you

We normally ask the children to decide our charities each term, but Mrs Penney has already invited the NSPCC to come in to lead a special assembly for us this term.

Task: Please ask the children to find out as much as they can about the NSPCC so that they may tell each other how important it is to raise money for them.

Other Questions to ask your class at the next Class Council Meeting:

(Please record the best of the children's answers in your book)

- a) What things do you like about our school?
- b) Do you know what to do if you are concerned or worried about anything at home or school?
- c) What things could we make better about our school?

I will be asking these questions at our next meeting, so it is really important that you ask the children in your class and record their answers.

Our next School Council Meeting will be: Wednesday 16th November
12.30pm in the spare Y6 class.

Thank you

Mrs Marks
