All classes need to choose how they are going to raise money . You can sell anything – Reindeer food, mince pies, cakes, biscuits, raffle , hook a duck -anything

Competition entries must be given to class teachers by Friday 9th December. The class teachers will choose one winner per class. The class winners will then be given to Mrs Marks and she will judge them. The overall winners will be announced on Friday 9th December in the Achievement Assembly and will receive a prize. There will be a winner for KS1 and KS2 .

2.Task 2 : The School Council agreed that there is too much litter around the school so School Council voted to ask all children :

What should we do to stop children dropping litter ?

Please ask you class to vote on this issue . Let school council know what your class decided in the next meeting, then we will discuss it again to come up with a plan to make our school cleaner- do we need monitors? Do we give fines of taking away housepoints ? Do we make those who drop litter pick up litter around the playground? We will vote on your ideas at the next meeting .

Answers to your questions:

2G: Please may we have more bins in the playground?

I will ask Mr Budden to order them but children must use them.

Please may we have an art club?

Answer: I will ask the staff but we do rely upon the good will of the teachers as they give up their time to do clubs.

Please may we have comfortable cushions for the reading garden?

Answer: It is difficult because they will get ruined by the rain if people do not bring them inside.

Maybe we can buy some in the summer.

3CB: Please may we have a large snakes and ladders board painted on the playground?

Answer: I will ask Mr Alford, it is a good idea!

3L: Please may the water fountain be fixed? Please may we have more water fountains outside?

Answer: I will ask Mr Budden if this is possible but the current one gets blocked because children block it with twigs etc.

4H and 5M; Please may we have more activities at playtime as we are bored.

Answer: Yes I will talk to Mr Alford to see what can be done, we need to look at the playground areas and share it more fairly as opposed to most of the playground being used as a football pitch.

5M and 5R Things we like about our school:

- ✓ Our teachers
- ✓ The nurture room

What could we do better?

❖ Look after our toilets and please give KS2 fruit and snacks

The School Council have also been appointed Reading Garden Protectors, if they catch anyone destroying any part of the reading garden they are to take them in to Mrs Marks.

Thank you for a very interesting meeting.
