Dear parents,

### Homework and Spellings

I hope you've enjoyed your summer and that the transition back to school was relatively painless!

In order to get off to a good start this year, we have made some small changes to the way that homework is set:

- Homework will now be set every **Wednesday**, in *all* year groups.
- It will be due in on the following **Monday**.
- Spellings will also be given out on Wednesday and results will be given to parents on the following Wednesday.

First of all, this gives children the flexibility of completing their homework straight away during the school week or, if preferred, at the weekend. It also means that those with siblings will not get confused about homework deadlines – hopefully making life a little easier for parents.

Your child will have received their first homework today – please may I ask for your support in completing the tasks as we know that parental encouragement and praise makes all the difference when it comes to children's attitude towards home learning.

Yours sincerely,

Mrs. Joyce  
*Deputy Head Teacher*
