

## Sports Premium Action Plan 2015/16

Total Allocation Received: £9860

Overall School Aims:

- Encourage greater participation in sporting activities both in an out of school
- Provide greater opportunities for pupils to participate in competitive sports/activities
- Improve the quality of school provision including standards of PE teaching
- Develop pupil skills in a range of activities
- Improve physical fitness and health of pupils

<b>Sports Premium Used For</b>	<b>Amount Allocated</b>	<b>Summary of Activity</b>	<b>Intended Outcome</b>	<b>Monitoring and Success Evidence</b>	<b>Actual Impact (As a result of this action)</b>	<b>Future Planning. Would this be repeated? Improvements to be made?</b>
Additional Swimming in Year 5	£2900	This proved successful in the last school year and it is the intention to continue this. Children will get more lessons per year and enjoy smaller staff to pupil ratios.	Continued high proportions of pupils passing the NC test and progressing beyond this.	This will be monitored by the PE subject leader, SLT and governing body. Expectations are: 80% + of pupils achieve NC level in swimming		
Programme of Support from Harefield Academy	£3000	HA to work with PE leader on improving PE teaching across the school. HA to provide bespoke training to identified teachers including NQTs. Particular focus on developing the new KS1 curriculum. Play leaders will also be	School is very clear on priorities to improve the quality of PE provision. Quality of teaching improves impacting on pupil outcomes	HA to undertake ongoing monitoring of action plan. Work with SLT to monitor standards in PE.		

		trained to provide playtime games for younger pupils.	and opportunities. High quality PE plans in place.			
Additional extra curricular coaching to enable pupils to take part in inter school sport	£1675	Coaches run lunchtime and after school clubs in: <ul style="list-style-type: none"> <li>• Cross country</li> <li>• Girls' football</li> <li>• Cricket</li> <li>• Rugby</li> <li>• Hockey</li> </ul> Coaching sessions culminate in participation in an inter school tournament. As part of this, additional resources have been purchased to support the activities.	Wider participation opportunities for children including some targeted groups eg girls Increased use of the MUGA at lunchtime.	Coaches to feed back to SLT on sessions and competition outcomes. Pupils enjoy participating and are encouraged to join other local clubs.		
Continue with Cardio Club twice a week	£850	Maintain the twice weekly keep fit sessions after school where pupils can learn keep fit exercises that can also be followed at home. Target children where possible who would benefit from this.	High participation rates and improved fitness and awareness of health issues. Contribute to lowering number of pupils who are overweight.	SLT to monitor this and report to Governing Body. Evidence that sessions are having an impact on pupil attitudes to health and fitness.		

Further develop inter house sport	£1435	<p>Building on this project from last year develop further opportunities for all pupils to participate in inter house sport. Use PE lessons to develop skills in particular sports eg softball (where possible supported by specialist coaching). Use these skills as part of inter house competitions outside of normal school hours using additional support staff and coaches to supervise</p> <p>As part of this, additional resources have been purchased to support the activities.</p>	<p>All pupils (regardless of ability) will have the opportunity to take part in a house tournament. Pupils will be highly motivated by participating in a tournament. Parents will have the opportunity to attend. School outside sources clubs where skills can be followed up</p>	<p>SLT and PE leader to monitor. Standard of play is good and pupils enjoy the experience. Some pupils are encouraged to join a club outside of school.</p>
