

A decorative border of globe icons surrounds the text. The top row has 7 globes, the bottom row has 7 globes, and the sides have 10 globes each, for a total of 31 globes.

Geography Quiz

Time

Prizes to be won!

Each week there will be a new Geography question to answer.

Simply write the answer on a post it, put your name on it and hand it into Miss Prichard in 1P 😊

At the end of the term, names will be put into a raffle and a winner announced- the more questions you answer, the more chances you have to win!
