

Writing Competition

A NEW WORLD

Have you ever imagined what the world would be like if...
...robots or aliens came?
...there were only fairies there and your every wish came true?
...it was 100 or 500 years ago?
... [your own idea]?

Write a poem or a short story on the topic of 'a new world' - the only rule is that it should be under 500 words!

Please be as imaginative and as creative as you can. Please hand it in to your class teacher **by Tuesday 5th June**. Your teachers will choose the winning entry for your class so that one winner from each class can receive a special prize! It will then be put onto the school website and everyone across the world can read your winning entry! Each class's winning entry will also be put in to a book to be kept in school to show how wonderful the writing is in our school.

Good Luck!
Miss Baines
