Phase Monitoring

Mrs Joyce, Miss Griffiths and I along with Mrs Went undertook monitoring of teaching and learning in KS1 last week. In all lessons we observed we saw pupils developing good basic skills, pupils clearly enjoy learning and are developing good attitudes to school. As ever, they are always areas to develop further and all the teachers that were observed have been set targets which we will reviewed shortly. This week is the turn of UKS2.

My Activity Passport

The Department for Education have just released some suggestions for activities for children linked to the Every Child Should campaign which is working to ensure all children can access a rich and rounded set of experiences by the time they are 18. Each year group has its own set of suggested tasks which encourage the children to learn a new skill, gain life experiences or undertake an activity which leads to a new hobby or interest outside of school. We will upload the list of activities to the website under the specific year group to which it relates. I encourage you to have a look and try some of the activities – some you may already do regularly or some may be a completely new experience for you all as a family! With 20 tasks to tick off over a school year, it is not too onerous and it may give you some ideas as to how to keep the children busy over the holidays!

Military Families Coffee Morning

It was lovely that a few of our military families were able to join us for our coffee morning last Tuesday. Thank you to Mrs Sheldon and Mrs Ellis who organised the event and to Mrs Moy who helped them to prepare the refreshments. Velma, the Family Support Co-ordinator for service families was on hand to chat and outline her role.

Year 4 Trip to the Globe

On Tuesday we went on a school trip to The Globe Theatre. We took a train London Bridge and went for a look around, We crossed the Millennium Bridge, it was a bit scary as it was wobbling! Then we went in the Tate Modern, a museum of art to look out from the top of it. After this, we went to The Globe. I was shock that it was so big and beautiful. We all had lunch and then a guide showed us around the theatre. we went to a Macbeth workshop in the rehearsal rooms and then visited the Shop! It was a very amazing school trip! By Iwan

4F Class Assembly

Well done to 4F, Mrs Folland and Mrs Stirling for an excellent class assembly last Thursday. The children have been learning all about William Shakespeare and they performed their own version of Macbeth, as well as a catchy song. As they had visited the Globe Theatre earlier in the week, they were also able to share what they had learnt and tell us how much they enjoyed on this trip.

Parent Consultation Evenings

These will be taking place on Tuesday 12th and Thursday 14th February; letters were distributed today so please check your child's book bag to ensure that the slip comes back to school by Monday 4th February, at the latest. As always, staff will try to accommodate your needs with timings, but as you can imagine, it is quite a logistical challenge trying to give everyone their first choice. To make life easier, if you do have more than one child at the school, please make it very clear on the forms so that teachers can liaise to avoid overlaps and huge gaps.

Lost Property

A pair of size 6 Nike blue Phantom football boots have been lost. They were last seen in the spare year 6 classroom at 3.20pm on Friday. If anyone has seen them, or has them accidentally, please can you return them to The Office as soon as possible. Thank you.

Philosopher's Corner: *Why don't dogs laugh? Is it because they don't have a sense of humour?*

I hope you enjoyed your weekend and I wish you a lovely week ahead.
Mrs Penney
