

# Nursery Newsletter

Friday 1<sup>st</sup> February

We have had a lovely week learning all about different stories.

This week we have read a variety of stories with our main focus being 'The Gruffalo' and 'We're going on a Bear Hunt'. We have been retelling the story using stuffed Gruffalo characters and lolly stick puppets and played in our Gruffalo cave. Lots of children shared their favourite story books with the rest of the Nursery, there have been some really lovely stories and some very funny ones.

Next week we will be learning about Chinese New Year which this year falls on Tuesday 5<sup>th</sup> February. We will be busy doing lots of craft, dancing like Chinese dragons, painting Chinese numbers and letters. Mrs Berriman will also be making Chinese dumplings with the children.

We will also be learning about measurement, using the terms long, longest, short and shortest and in the water the terms full, half-full and empty.

The children who attend Nursery all day will be learning about different aspects of Chinese New Year.

If you would like to see Mrs Message and myself for a parent's evening appointment, please sign up on the list, just ask a member of staff. We look forward to seeing you on either Tuesday 12<sup>th</sup> February 4.00-6.30pm or Thursday 14 February 5.00-7.30pm to talk about your child's progress in Nursery.

Thank you

Mrs Pione and the Nursery Team.
